

SCHEDULING REHEARSAL TIME

You are welcome to book the Hall for a wedding ceremony rehearsal but we hold off on scheduling these until about 6 weeks prior to your event. Please contact us at that time to see what may be available. If you will be rehearsing inside the Hall, the charge is \$400 per hour.

If you only need access to the lawn, there is no charge.

Alternatively, many people find it works out very well to rehearse in another venue. The most important thing is that the wedding party is together and you've determined who is walking in what order, who is escorting whom, etc. This can be done at a park, hotel lobby, rehearsal dinner venue, etc.
