

ST. FRANCIS HALL

APPROVED CATERERS

In an effort to ensure your event is successful, we have pre-screened a wide variety of reputable caterers in many price points and cuisines and allow you to choose any off this list. Please let us know if you need assistance in narrowing down the list.

If you prefer to use a licensed and insured caterer not on this list, we may allow it along with the use of one of our approved staffing companies to provide set up, serving, and clean up.
